About This Game

Become the Most Successful or Most Wanted man in the city.

Broke Protocol is an open-world action game like GTA but with a strong focus on city roleplaying. You set your own goal and identity in a massive cube criminal multiplayer sandbox. Currently in *Early Access*.

Roleplay in limitless ways to gain money, power, and influence in a diverse low-poly world. Start with nothing and build your wealth, while managing your hunger, thirst, stamina, and addiction levels.

Steal cars, process drugs, trade with citizens, heal the injured, or enforce the law. Anything goes and the ways you can play are endless. Be warned, every player has a criminal record - and crimes like Grand Theft Auto, or Armed Assault will surely land your character in prison.

Climb to the top of the criminal underworld, or live your life as a paramedic, firefighter, driver, gangster, law enforcer and more. **You write your own story in Broke Protocol.**
